MCCNY, 446 West 36th Street New York, NY 10018

Four Winds Earth Chorus is an all-volunteer not-for-profit cooperative choral group created with the purpose of the performance and promotion of the sacred music of Pagan, Native American and Earth-honoring peoples. They are dedicated to sacred sound and rhythm as a common ground between the many spiritual pathways on Mother Earth. These singers, drummers, and dancers represent many spiritual backgrounds, from Neopagan to Native American.
